SETUP & EQUIPMENT

Caroline S'Jegers performs with the following setup:

- **Controller:** Traktor Kontrol S4 MK3
- **Loop Station:** Boss Loop Station RC-202 (connected to the controller)
- **Microphone:** connected through the loop station
- **Outputs:**
 - 2 x Stereo Main Out (RCA and/or XLR options available)
 - Stereo Booth Out (Jack)

REQUIREMENTS

To ensure a smooth and immersive musical journey, the following setup is requested:

- **Power:** One power strip with at least 4 plugs
- **Audio Connection:**
 - Please provide the necessary audio cables to connect from my controller (Traktor S4 MK3) to the main PA system.
 - I will bring my own cables to connect my loop station and microphone to my controller.
- **Booth Monitor:**

If possible, please provide a booth monitor.

- If not available, kindly inform me in advance so I can bring my own.

BACKSTAGE & HOSPITALITY

- Still water (room temperature preferred)
- Optionally: herbal tea
- Light snacks such as fruit and nuts
- A calm space to ground and prepare before the set is always appreciated.

Looking forward to co-creating an in-depth musical dance journey together!

Caroline

GET IN TOUCH

For **bookings and performance inquiries**, please contact my agent Anjali, who handles all scheduling with care and clarity.
